

MARIO MOREL, CD

CHIEF PRIVACY OFFICER
SENIOR PRIVACY CONSULTANT

Mario Morel is a privacy expert with over 15 years of experience in information security and personal information privacy.

Mario provides advanced personal and health information privacy consulting services. He focuses on such issues as privacy legislation, the nature and use of patient information, the disclosure of personal data in health research, and privacy infrastructures for hospitals and health clinics.

As an independent consultant, Mario has provided information security services to several organizations in North America, including Nortel Networks, the U.S. Department of Energy, Advanta USA, and the Hanford Environmental Health Foundation.

Mario has served in the Communication Security and Counter-Intelligence Unit of the Canadian Forces, and he was Chief Technology Officer of the VeriSign business unit of the Canadian Imperial Bank of Commerce.

Mario has presented privacy seminars to such groups as the National Notary Association, the Certified Management Accountants of Ontario, and the Federation of Security Professionals. He has also given privacy information sessions to organizations such as Ventana Clinical Research Corporation and the Toronto Hospital for Sick Children.

Mario holds a BEng in Engineering Physics from the Royal Military College of Canada.
